The Ōtaki & Porirua Trusts Board is seeking expressions of interest from people interested in filling current vacancies on the Board. Trustees are formally appointed by the Governor General and represent a range of iwi organisations.

Trustees have responsibility for:

- the development of a future-focussed energetic iwi Trust Board that has responsibility for dairy farms and associated land management; property development;
- exploring options for the future of rural and semi-rural land blocks;
- future growth and alternatives with land use and asset management;
- policy development and strategic governance;
- a range of Board projects;
- being one of a strong diverse governance team;
- providing education scholarships to young people.

The Board seeks people with a range of attributes such as:

- experience in governance and leadership;
- confidence in contributing to strategic planning;
- an interest in farming and land based asset management;
- financial management experience and risk management;
- a commitment to long term iwi development;
- education and a commitment to providing scholarships to young people.

The Board is seeking expressions of interest and your CV can be sent in confidence to:

The Chairperson Denise Hapeta at denise.hapeta@twor-otaki.ac.nz

BY 1 October 2018. www.optb.org.nz.

Meetings are scheduled monthly in Ōtaki.

The Board has provision for 2 new trustees, one of whom must be recommended by the Raukawa Trustees and the other by the Diocesans Trust Board of the Anglican Diocese of Wellington.
